# Benefits

- ◆ This agreement provides all 16 titles in the Master Collection for only \$75 per year!
- ◆ Adobe has made clear their intent to provide all future releases via the Creative Cloud.
- ◆ This agreement provides for transition to cloud based licensing.
- ◆ This transition will take place as soon as Adobe has worked out details of their enterprise cloud delivery.
- ◆ Transition to the cloud will provide access from anywhere and additional software titles to licensed users.

# Clarify..

- ◆ Go live 7/29/13
- ◆ How will clients access Adobe Blended ELA?
  - ◆ Software library [www.yale.edu/software](http://www.yale.edu/software)
  - ◆ Select Adobe Master Collection Subscription from the list
  - ◆ Make the purchase with PTAO
  - ◆ Client will get email indicating that their request will be processed within 3 Business Days
  - ◆ The Service Desk will add the client to the group that has share access
  - ◆ Client will get notification from the Service Desk with information on accessing the share to download the installer
- ◆ Installers packages –
  - ◆ Current installers are for full Master Collection
  - ◆ If there is demand we will create and release installers for individual applications
    - ◆ Not sure there will be much demand as price is \$75 for 1 app or 16 apps
